

COOKIE POLICY

What are cookies?

Cookies are small pieces of data which your browser stores on your machine as you use our website. Cookies are sometimes used to provide the user with a tailored experience when revisiting a site eg. remembering preferences so you don't have to submit the same information twice etc.

What cookies do we use?

We use cookies to identify you as a unique visitor and to identify which pages are being used. The cookie that is stored does not include any information that is personally identifiable to you. The information is completely anonymous.

First party cookies are cookies set by the site itself. For example, if a visitor visits our website and our website sets a cookie, this cookie is called a first-party cookie. Our website is powered by CMS called WordPress which sets 1st party cookies. Listed below are the actual cookies that our website sets.

Cookie: WordPress

Name: wordpress_test_cookie

Purpose: Test to see if cookies enabled or not

More Information: Expires when your browser closes

Cookie: WordPress

Name: wp-settings-1

Purpose: This is a cookie to verify if you are logged into the website or not and to personalise the experience

More Information: The cookies are set to expire 365 days from the time they are set

Cookie: WordPress

Name: wp-settings-time-1

Purpose: This is a cookie to verify if you are logged into the website or not and to personalise the experience

More Information: The cookies are set to expire 365 days from the time they are set.

Third Party Requests

Cookie: Google Analytics

Name: _utma_utmb_utmc _utmz

Purpose: These cookies are used to collect information about how visitors use our site, which we use to help improve it. The cookies collect information in an anonymous

form, including the number of visitors to the site, where visitors have come to the site from and the pages they visited

How to block/delete cookies

All modern browsers should allow you to block and delete cookies. Please see below for examples on how to do this;

- [Managing cookies in chrome](#)
- [Managing cookies in Edge/Internet Explorer](#)

Blocking or deleting cookies may result in limited or impaired usage of many websites.
